

## What are participants saying about the program?

### **Nursing students:**

*"Wow! I finally understand pharmacokinetics and it was actually fun to learn!"*

*"This program saved me on the NCLEX-RN®! I was able to remember to prioritize my drugs."*

*"I will never forget cephalosporins thanks to CEF/CEPH the GIANT!"*

*"This has been the most interactive course I have ever experienced. Where were you when I was struggling to stay awake while reading my pharmacology textbooks?"*

### **Practicing nurse:**

*"I was always nervous about drug-drug interactions, but I am leaving this program with much more confidence."*

### **Nursing faculty:**

*"I finally understand how to teach without overwhelming students with unnecessary information!"*

Made  
**INSANELY**  
Easy!

 NCLEX® success!

 Teaching success!

 Clinical Practice success!

**Why do participants  
do well with pharmacology  
after the Workshop?**

- Top 200 "Need to Know" drugs are reviewed
- NCLEX® and JCAHO™ standards are reviewed
- Practice in answering questions evaluating NCLEX® and JCAHO™ standards
- Leaders of the workshop are RNs who are educators and have an expertise at making learning pharmacology memorable and fun

**What is included in the tuition for  
the Pharmacology Workshop?**

- 1-day workshop from 8 am – 4 pm
- Text book: *Pharmacology Made Insanely Easy!*
- Packet of information regarding drug levels, absorption times, antidotes, etc.
- Workshop leaders that make the drugs come to life, transforming complexity to simplicity
- Test-taking strategies connected to drug categories

To enroll your school or health care organization in this FUN and informative course, please contact us at **1.866.428.5589** or visit us at **www.icanpublishing.com** or complete the convenient order form provided and mail or fax your request to us!
